

29th September 2009

Dear «Salutation»,

Outdoor Pursuits trip - Tuesday October 6th – Thursday 8th 2009

A second consent form for the trip next week to North Wales has been sent separately via email and I would ask if you could return this promptly. This is the Boulder Centre's own form which is needed for their activities. Pupils will not be able to go on the trip without the signed form.

I also enclose a kit list which has been forwarded by the Centre which will allow our pupils to be fully prepared for the planned activities. The Boulder Centre have looked after several of our groups in the last couple of years (including our present Year 10 who are there this week) and we anticipate an excellent time will be had by all.

Pupils will come to School at the normal time and then leave Birkenhead straight after registration at 9:15 on the Tuesday morning. We shall return on Thursday afternoon aiming to drop off in Kingsmead Road in time for pupils to catch the bus home if required. If we arrive earlier or later «Pu_GivenName» may contact you by a teacher's mobile phone. Pupils will not be able to bring their mobile phones with them during the trip.

Please don't hesitate to contact me or a Form tutor if there any concerns over the trip

Yours sincerely

A handwritten signature in black ink that reads 'W.A. Hughes' with a stylized flourish underneath.

YEAR 9 KIT LIST

Water proof jacket and trousers

Walking boots and thick socks

Woolly hat

Gloves

Rucksack (plus bin bag to line it)

Water bottle (at least one litre)

Warm fleece jumpers

Trousers for walking (not jeans) - tracksuit bottoms are fine

Swimwear for water sports sessions

Trainers that can get wet for water sports

Other than these, things such as towels, changes of clothes, wash kit, snacks, personal medication.
