Dear

Year 7 Local History Day Wednesday, 3rd March

We are visiting the Wirral Archives and Birkenhead Priory, looking at how the Wirral fitted in to the overall developments of English/British history during medieval times. The day will also include a “river exploration” on the Mersey Ferry and some cross curricular work in Art.

The weather is likely to be a factor at this time of year and so school uniform will not be required. However, warm clothing, with a waterproof top are essential, with a small rucksack to carry a hat and gloves and pencil case.

We shall be leaving school at 8:45am and returning at 3:45pm and a packed lunch will be provided.

Yours sincerely,

J. McGrath
