

BIRKENHEAD SCHOOL

Statement of School Ethos and Aims

Birkenhead School is an open and happy community in which endeavour and achievement flourish. The School offers a proven route to academic success and seeks to enable each student to develop a love of learning and realise their potential.

Equally important is our pastoral care, instilling a sense of respect, responsibility and resilience, virtues at the very heart of the School's philosophy and our unofficial School motto.

We also take great pride in creating a caring and structured environment in which staff meet the highest expectations in providing a breadth of co-curricular opportunities that sees students grow in self-confidence and find their passion; in short, we aim to provide all within our community with the core values and skills to thrive and lead in life.
