

BIRKENHEAD SCHOOL

Information for Candidates applying for the role of Teacher of Mathematics

Required for September 2026

THE SCHOOL

Birkenhead School, awarded the Sunday Times Independent Secondary School of the Year in the North West for 2025, was founded in 1860. It is an HMC independent day school providing education for boys and girls drawn from the whole of the Wirral, Liverpool and as far afield as Chester and North Wales. There are currently some 82 children in Early Years (43 in Nursery aged under 3 years old, 39 in our “Pre-Prep” aged 3 to 5 years old), 299 pupils in the School’s Prep (ages 5-11) and 512 pupils in Years 7 to Upper Sixth Form. Birkenhead School has been fully co-educational since September 2008, offering the choice of an independent education to all local children. Across the School approximately 45% of pupils are girls.

Situated in the leafy suburb of Oxton, the School enjoys excellent facilities. The main campus has a ‘village green’ atmosphere, with classrooms and laboratories looking out over the cricket square. There are ongoing and substantial investments in facilities. In addition to the main campus, the School owns 17 acres of playing fields on two sites nearby – the primary one being McAllester Field on Bidston Road.

SCHOOL ORGANISATION & VALUES

The School comprises Nursery and Pre-Prep (Early Years), Prep and Seniors and integrates their objectives and activities within a ‘One School’ concept. The Headmaster chairs the School’s Senior Leadership Team (SLT) comprising the Head of Prep, Deputies and the Bursar.

Birkenhead School prides itself on being a family school and this has been greatly strengthened by the opening of the Nursery in 2006. It is attractive to parents to have all their children in one school and it is a great advantage for the school to be able to establish strong, long-lasting relationships with families. The move to co-education reinforced this and at present, 234 families have more than one child in the School and 33 have three or four children.

A key feature of the School is its strength of community, which runs through the student, staff and parental bodies. The School is embedded within the wider Wirral community, has strong links with local business and charities, and offers an extensive bursary programme. The School aims to inspire students both inside and outside the classroom, knowing each individual and providing them with outstanding opportunities to find their niche.

A dedicated, talented and collegiate staff body is required to achieve these aims. The School’s informal motto is Respect, Responsibility and Resilience, to which we have recently added Inclusivity, Compassion, Integrity, Humility and Courage as defined School values. Birkenhead School recruits on attitude as much as the quality of an individual’s qualifications on paper, an approach that has played a considerable role in the winning of the Sunday Times award – in short, staff go above and beyond in delivering outstanding academic grades and an expansive co-curricular programme which leads to a fulfilled, inspired and happy community – staff, students, parents, grandparents and alumni (Old Birkonians—OBs).

THE DEPARTMENT

The department consists of five teachers, led by the Acting Head of Department, Mrs Kate Eassie. We follow the AQA course for GCSE and Edexcel for A level, offering students the opportunity to study both Mathematics and Further Mathematics at A Level.

We use the latest IT in our teaching, developing in-house resources to use with Promethean ActivInspire software on touchscreen technology. Students in years 7 to 11 make extensive use of Sparx both for homework and independent learning while A Level students use Pearson ActiveLearn.

At Key Stage 3 we follow a curriculum based on Collins Key Stage 3 Maths Now, while at GCSE we have developed a course using White Rose resources. For A Level, we use the Pearson Edexcel A Level Mathematics texts.

Students from years 7 to 13 enter and are very successful in competitions including the UKMT individual challenges and we are the host school for the local round of the UKMT Team Challenge.

Groups of students regularly travel to and enjoy lectures including those produced by Maths Inspiration.

Mathematics is consistently one of the most popular A Levels. In recent years, 45% of our GCSE Maths students have achieved Grade 7-9. Of our A-level students, 62% scored A*/A, with 53% achieving A*/A in Further Maths.
